## top 10 apps high school

### yalsa's teen book finder

This app puts popular & recommended YA books at teens' fingertips. (iPod – free)

### google drive

A productivity app giving you anytime access to all your important Google Docs. (free)

### khan academy

Browse Khan's awesome library of lessons on math, cosmology, entrepreneurship, art, test prep & so many more. (free)

### remind 101

Safe & secure way to notify your students of assignment updates, activity meeting reminders, questions-of-the-day, & more via text. (iPod – free)

### database apps

If your school subscribes to any databases there is probably an app for that – check with your librarian. These can be a great way to put quality information at students' fingertips! We use AccessMyLibrary – School Edition, by Gale. (usually free)

### today's document

A daily history prompt – have your students check out what tidbit of history the National Archives features each day or have them search & share for one they find fascinating. (free)

### fotopedia (suite)

This suite of apps present stunning images from N. Korea, Burma, Paris, U.S. National Parks, & more to prompt discussions on culture, architecture, travel, & history. (free)

### easybib

Citations made easy! Snap barcodes or search titles to find your MLA or APA citation – spend more time researching, less time nitpicking citations! (free)

### snapguide

A creative writing site that matches images with selected keywords in order to capture the essence, story, & meaning of the picture. (free)

### the warhol: diy pop

The best feature of this is going through the silk-screening process to create & share your own art. (free)
